

TIMBER MERCHANTS ASSOCIATION

Networking Breakfast Meeting

Date: 11th of February 2010

Time: 07.30am—9.30am

Dear Members and Associates,

We encourage you and your staff to come along to our breakfast meeting. The topic we present to you is Timber Certification with AFS and FSC now both acknowledged by the Green Building Council of Australia (GBCA).

Timber Certification—Are you ready?

Speaker: Kayt Watts the CEO of Australian Forestry Standard (AFS) will explain why they developed two Australian Standards to ensure not only in Australia but globally Australian wood and wood products are recognised as being sustainably produced.

With Government endorsement of Timber Certification and the growing prominence of the GBCA it is important all members are aware of the processes in place and the relevance certification will have on their timber sales.

Emma Watt will bring you up to date on OH & S Management Systems and the service she can now offer to our Members at competitive rates.

Costs for the meeting including a full cooked breakfast will be: Members \$55 Non Members \$60
